

Important Announcement regarding collaborative projects with UK universities

As mutually agreed upon between the Ministry of Education (GoI) and the British Council, SPARC – III will accept joint projects with UK universities in the following themes **only**:

- 1) Research Projects (as per STRAND 1 of UKIERI 4 Call) in Semiconductors, Artificial Intelligence, Advance Computing & Next Gen Communication.
- 2) Capacity Building Projects (as per STRAND 3 of UKIERI 4 Call) in Energy, Sustainability and Climate Change.

More details about these individual strands can be found out in the UKIERI website

(<http://ukieri.org/announcements/institutional-research-and-mobility-partnerships>)

And in the detailed guidelines:
